

# The Mediterranean Gateway to the Energy Union

Maria Spyraiki MEP

# The Energy Trilemma

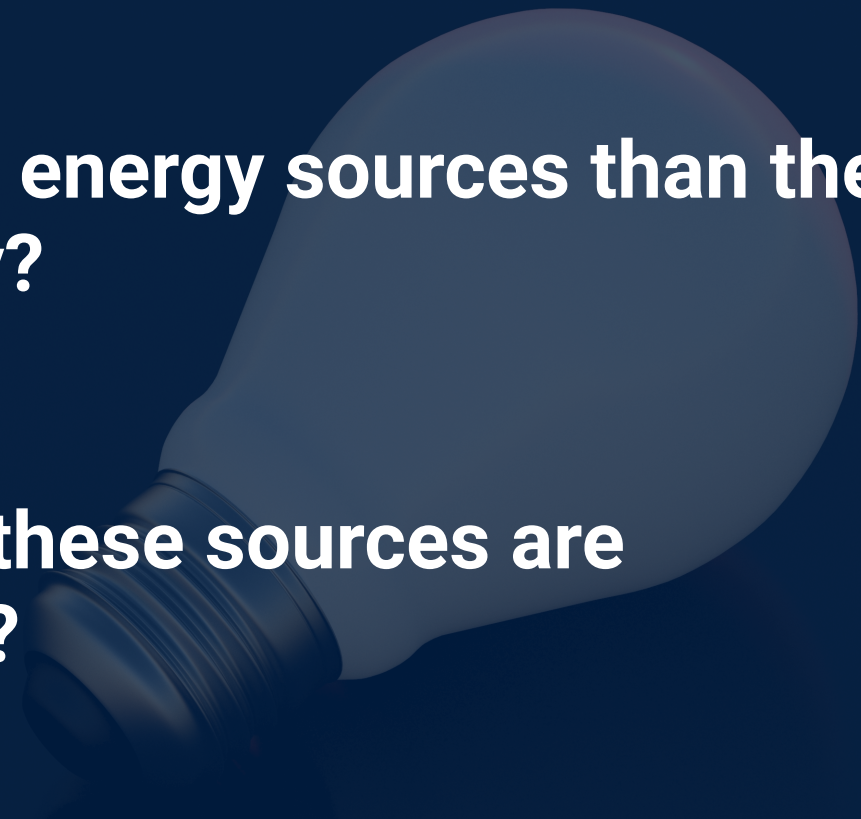

**How do we shift cleaner energy sources than the ones we are using today?**

**How do we ensure that these sources are affordable to end users?**

**How do we maintain and perhaps spur the competitiveness of industry at the regional and the global level?**

# SUPPLY

*gas infrastructure projects*

# TAP

# IGB

*(Greece-Bulgaria)*

# EASTMED

# DEMAND

*two market opportunities*

**Bunkering**

**Off-Grid Power  
Generation**

***Thank you!***

*Maria Spyra*
